Financial Policy

We want you to feel comfortable and clear regarding the financial aspect of your treatment. Please let us know if you have questions.

Last Minute Cancellations & No-Shows:

There is a **\$60.00 fee** for cancellations with less than 48-hour notice or missed appointments (regardless of whether you are a self-pay or insurance-paid patient).

Sauna appointments: In the event of more than 2 appointments being missed or canceled with less than 24 hour notice, you will be charged \$15 per missed appointment.

For Patients with Insurance Coverage:

If you have insurance it is ***YOUR RESPONSIBILITY*** to be aware of what your benefits are.

We will provide you with an estimate of benefits; however you are fully financially responsible for any treatment performed. We are not ultimately responsible for what your insurance will or will not cover. Your benefits are a contract between you and your insurance company.

Thank you for your understanding!
